

Essential Health Care Employee

March 22, 2020

To Federal, state, or local law enforcement and public safety officials

The bearer of this letter, supported by company-issued photo ID, is a patient/family/community care professional employed by Avow Hospice. This employee is required to travel as part of his or her responsibilities in delivering direct care and support to Avow Hospice patients and families.

Avow Hospice requests that this person be allowed safe and expedited passage between the Avow Hospice campus, his or her residence, and the locations where he or she is delivering patient and family care.

Should you require further verification of this person's position at Avow Hospice, please call 239-261-4404 and ask to speak to a representative of the Human Resources Department.

A handwritten signature in blue ink, appearing to read "JFR", is positioned above the name of the signatory.
