Avow Receives Grant from the Community Foundation for $7,000

Naples, Fla., July 30, 2020 –—Avow announced today it has received a $7,000 grant from the Community Foundation of Collier County (CFCC). These funds will support the purchase of personal protective equipment (PPE) such as masks, gowns, and gloves for Avow's hospice patient care team members. The grant is part of the CFCC's COVID-19 General Operating Support grant cycle, designed to help local nonprofits weather the unexpected financial challenges of operating during the COVID-19 pandemic.

"Avow is a post-acute health provider, caring for over 400 hospice and non-hospice palliative care patients every day. Personal protective equipment for our clinical team is always essential, but the COVID-19 pandemic has definitely increased both the amount of PPE we use and the difficulty of purchasing needed supplies," says Jaysen Roa, President & CEO of Avow companies.

The Community Foundation of Collier County awards annual grants through a competitive application and review process. Selected organizations receive grant dollars from the Changing Needs Fund. This Fund is made up of donors who believe in the Community Foundation's ability to identify and grant to the most community's most current needs.
