Country Club Concert Raises More Than \$7,500 For Nonprofit Mission

Vineyards Country Club hosts concert on the green raising proceeds for Avow

NAPLES, Fla. (June 7, 2024) – On April 28, 2024, Vineyards Country Club members gathered for a performance by Deb and the Dynamics, raising more than \$7,500 to support Avow’s mission. The concert was held on the club’s green, where members relaxed on lawn chairs and blankets to enjoy tunes from the seven-piece rock and soul band, who electrified the atmosphere for the evening.

“Our members and staff love Avow and all they do for the community,” says Vineyards Country Club Senior Director of Activities & Member Experience Julie Inman. “We couldn’t imagine a more deserving organization to support.”

This concert was not just about entertainment but also about positively impacting the patients and families touched by Avow’s services. Avow is a nonprofit provider of hospice, palliative care, and grief and support services for adults and children in Collier County. The funds raised by Vineyards Country Club will directly impact Avow’s mission, which serves more than 800 patients daily.

Avow President and CEO Jaysen Roa says, “Many of Avow’s program and service offerings are fully or partially funded through community philanthropy. If not for the generosity of our partners, like Vineyards Country Club, our work would not be possible.”
