Avow Hosts Annual Giving Societies Luncheon to Celebrate Community Impact

Event honors individuals whose generous contributions to Avow have significantly supported care for patients, families, and the community.

NAPLES, FL. (March 6, 2025) – Avow welcomed over 60 donors and dignitaries to its annual Giving Societies Luncheon on Wednesday, February 26, 2025. The Giving Societies luncheon is a cherished event that recognizes the generosity and dedication of individuals who have made significant contributions to Avow's growth and impact.

The Giving Societies are made up of three exclusive groups that honor individuals for their exceptional philanthropy: the 1983 Society, which celebrates lifetime donations of $25,000 or more; the Living Legacy Society, which recognizes those who have included Avow in their estate plans; and the Compassionate Care Society, which acknowledges donors who contribute $10,000 or more annually to support Avow's non-hospice palliative care program.

Attendees enjoyed an afternoon of meaningful conversation over lunch provided by Shula's, before Avow President and CEO Jaysen Roa provided an update on the organization's remarkable growth and future plans. Roa shared highlights from Avow's achievements in 2024, including the opening of two new satellite palliative care clinics and the exciting expansion into home health care services. He also touched on Avow's ongoing efforts to enhance its patient care offerings and looked ahead to the organization's role in the Southwest Florida community.

"We've experienced remarkable growth at Avow this year, made possible by the unwavering support of our donors and community partners," said Jaysen Roa. "In 2024, we reached a significant milestone by serving the highest number of patients in our history, while expanding with two new satellite palliative care clinics and the addition of home health care. As we look to the future, we remain dedicated to providing exceptional, compassionate care and further enhancing our services in Southwest Florida. This progress wouldn't be possible without the generosity of our Giving Societies members, donors, and all of our partners."
