West Coast Muscle Car Club Raises $58,000 for Avow Kids

22nd Annual Car Show brings together support for local children

NAPLES, Fla. (March 4, 2026) – The West Coast Muscle Car Club revved up for Avow Kids, raising $58,000 at its 22nd Annual Car Show, presented by Tamiami Ford, on Feb. 21, 2026. 100% of proceeds will benefit the grief support program, caring for more than 500 children and teens across Southwest Florida. The day showcased an outpouring of community support, drawing more than 2,300 attendees and over 350 vintage, custom, and modern vehicles on display at North Collier Regional Park.

"These funds are truly vital to the children and families we serve," said Avow Kids Manager Andrianna Moustakas. "Grief doesn't come with a price tag, and healing shouldn't either. Because of the generosity of our community, we're able to ensure every child who needs support can receive it at no cost. That means more children have a safe space to process their feelings, build healthy coping skills and find hope after loss."

All proceeds benefit Avow Kids, providing grief and loss support to children and teens ages 5–17. Children may be coping with the death of a loved one, serious illness, divorce, relocation or other major life changes. The program is fully funded through philanthropy, and no child or family pays to participate. Funds raised will also support the program's expansion into Lee, Hendry and Glades counties, helping ensure every child who needs support can access services without financial barriers.

"This year's show truly demonstrated the heart of our community," said Ronald Torp, President of the West Coast Muscle Car Club. "Seeing car enthusiasts, families and local businesses come out for this long-standing tradition – all to support local children – was incredible. We're proud to stand behind Avow Kids and look forward to doing it again next year."
